Subject: Concurrence with Release of Reclamation Surety, Star Stone Quarries, Inc., Lion Heart Quarry, S/003/0033, Box Elder County, Utah

Dear Mr. Garahana:

The Utah Division of Oil, Gas and Mining concurs with the findings of the Bureau of Land Management that a portion of the reclamation surety for the referenced mine site can be released. The BLM inspected the site on December 7, 2011 and found that reclamation is complete with the exception of revegetation requirements.

This letter authorizes the BLM to fully release the surety it is holding for this project. After receiving concurrence from your office, the Division will release the surety it holds with the exception of \$5,000.00 to be held until revegetation standards are achieved.

If you have any questions or concerns regarding this action, please contact Paul Baker at (801) 538-5261 or Lynn Kunzler at (801) 538-5310.

Sincerely,
